Last Updated Monday, 10 March 2008

To anyone with the knack of having good writing skills. Please feel free to submit articles for others to view. We need to be careful not to rip-off other sites by stealing content, but those with creative flair should have no problems coming up with things to write about. Articles submitted are not immediately available because there is a verification step. This is a good thing because some people (not necessarily guild members) just like to cause problems.
