Isle of Quel danas

Contributed by Debra Zellner Saturday, 24 May 2008 Last Updated Saturday, 24 May 2008

Slapperjack and I were at the ISle of Quel'Danas fighting the blood knights there. Slapper ploymorphed the blood knight and he is a pig riding the horse. Thought it was kind of funny. Had to get a screen shot of it and sent it to WOW and it may be on there website.
